Altio

We are a team of business aviation experts with over 20 years of total experience and hundreds of projects and successful flights.

Our partners value us for our professional approach and efficiency. We use the best international practices and can anticipate all non-standard situations.

Charter flights

Charter flights

- Wide selection of airports and aircraft
- Departure time of your choice
- Aircraft will wait for you if you are delayed
- Aircraft is all yours and you choose who will fly with you
- Complete privacy
- VIP lounges are at your disposal
- Quick check-in and passport control, no need to arrive early

VIP lounges are
at your disposal

Aircraft is all yours

Quick check-in and
passport control

Altio unique expertise
